RE: Case # 21 CV 10538

Good Day,

My last Correspondence it was noted that the U.S. Marshal Service attempted to serve defendant C.O. Baxter. On Tues July 19, 2022, I was transported to Montefiore Hospital for pre-surgery test. That morning I was greeted by the defendant as he was transporting another prisoner. It made it clear that he was still working for DOCCS. Therefore I'm making a respectful request that the Attorney General update the Court's "Valine" order so that the US Marshal can make the appropriate contact with the defendant.

Respectfully Yours  
Wilfred LeBassiere
